

Customer Loyalty Rewards Card Program Guidelines

One punch per \$10 spent.

Only one card per day can be fully punched (if the customer spends \$110 they just get 10 punches /one fully punched card).

Only one card can be used per purchase and only one card can be redeemed per day – full cards cannot be combined toward a purchase.

Punches are not given for the \$10 discount amount (a \$40 purchase minus \$10 card credit = 3 punches on a new card)

Partial cards can be combined to make a completed card –only fully punched cards can be redeemed.

Cards can be combined with any other store sales and promotions.

Cards cannot be applied toward (or punches awarded for) the purchase of mattresses, boxsprings, bed frames, Sterifab or Delivery Charges.

Cards cannot be redeemed for cash.

Cards cannot be redeemed on the same day fully punched – next day visit only.

Cashiers are to initial and date every punch on the card

Upon redemption of a fully punched card a duplicate copy of the sales receipt needs to be attached to the card.

Only a manager can punch Employee Loyalty Reward Cards.
